Dear Ms. Harris:

We thoroughly enjoyed your visit to Bauder College. Your presentation of "How To Start Your Own Business" was very beneficial to our students. We have had much interest in your book, *How To Take Control Of Your Own Life*, and we appreciate you sharing it with us. The points that you discussed are the exact questions that we tend to get from students who are interested in becoming entrepreneurs.

You are an enthusiastic speaker and we hope to have you visit again soon. We look forward to reading your upcoming books. Thank you again for taking the time to be with us and speak on our campus.

Sincerely,

Stacy Brown
Head Librarian
